Looking for the best marketing angle?

We're more than just a party, we're a marketing platform for our sponsors. We have a HUGE reach. We've RSVP'd over 32,000 industry guests at our events during the Affiliate Summit trade shows. When we market our events we also thank our sponsors in our newsletters. Let us market this event and get you seen. The Affiliate Ball also promotes via our facebook group/page, other industry groups plus we have a new industry talk show at d-money.com. All sponsors can be a guest on the new D-Money show. Let us know if you're interested in scheduling an interview.

In the last year we've thrown Affiliate Ball Meetups in Los Angeles, Toronto and Fort Lauderdale. Each localized event averages around 200 guests which is amazing! If you're interested in targeting a new city let us know which city you'd be interested in sponsoring. We plan on doing quarterly Meetups for L.A..
